RESUME

Name : Sai Krishna Kande
Email : saikrish9988@gmail.com
Phone : 8247390251

Career Objective

Seeking a challenging software developer position to apply and enhance my technical skills in designing, coding, and maintaining robust and scalable software solutions. My goal is to contribute to a dynamic team, improve coding abilities, and deepen my understanding of software development best practices, paving the way for a successful career.

Education

Course	College	Year of Pass	Percentage / CGPA
B. Tech (CSE)	Anurag Engineering College	2023	7.3
Intermediate	Sri Gayatri Junior College	2019	95%
S.S.C	St John's High School	2017	9.2

Training Attended

1. Java Full Stack: Successfully Completed Java Full Stack Training Program at **Q Edge Technologies, Hyderabad.**

2. Personality Development: Corporate Communication & Behavior Skills Training Attended Training at **Q Edge Technologies, Hyderabad.**

Technical Skills

- Programming Languages **:** Java, Python.
- Web Development **:** HTML, CSS, Bootstrap, JavaScript.
- Version Control **:** Git, GitHub.
- Databases **:** SQL, MYSQL.
- Development Tools **:** Visual Studio Code, Eclipse, IntelliJ Idea.
- Software Testing **:** Manual Testing.
- Frameworks **:** React JS.
- Operating System **:** Windows, Linux.

Technical Skill Summary

- Having Good Knowledge in Core Java and Advanced Java Concepts.
- Solid understanding and application of OOP principles, including Inheritance, Polymorphism, Encapsulation and Abstraction.
- Hands on experience in object creation and utilization.
- Ability to write clean, readable Java code
- Proficiency in managing exceptions and establishing robust error-handling mechanisms within Java applications.
- Proficient in file I/O operations, including reading from and writing to files using Java.
- In-depth understanding of the Java Collections Framework, with the ability to use and manipulate collections such as Lists, Sets and Maps.
- Utilizing multithreading principles to enhance code reusability and facilitate simultaneous execution of tasks for improving performance.
- Experience in using JDBC for database connectivity, including executing SQL queries and managing database transactions.
- Strong proficiency in frontend technologies including HTML, CSS, and JavaScript for building responsive and dynamic user interfaces.
- Experience with frontend frameworks like React for creating interactive and efficient web applications.
- Knowledge of UI/UX principles to deliver a visually appealing and user-friendly frontend.
- Having good knowledge in Databases and SQL Queries
- Proficient in using Git for version control, ensuring efficient collaboration and code management within development teams.
- Good knowledge in Manual Testing.
- Proficient in identifying and preparing Test Scenarios, Test Cases and Test Data to ensure comprehensive coverage of software testing.
- Strong analytical and problem-solving skills for identifying and resolving issues during development and testing.
- Excellent communication skills, both written and verbal, for effective collaboration within cross-functional teams.

PROJECT:

- E-COMMERCE APPLICATION BASED ON BLOCKCHAIN TECHNOLOGY
    - Developed and implemented a cutting-edge E-commerce application leveraging Blockchain Technology. Introduced Decentralization to enhance security, transparency, and efficiency in online transactions.
    - Implemented essential components, including user authentication, product catalog, shopping cart, and payment processing features.
    - Led the implementation of the frontend for the E-commerce application, crafting a visually appealing and intuitive user interface.
    - Collaborated with a team to ensure project completion on schedule.

INTERNSHIP:

- LIVER DISEASE PREDICTION USING MACHINE LEARNING
    - Contributed to a 4-week Internship at Skill Dzire, actively participating in a Machine Learning project focused on Liver Disease Prediction.
    - Specialized in the design aspect of this project, focusing on creating a user-friendly and visually appealing interface for the Liver Disease Prediction System.
    - Engaged in continuous learning and skill development in both Machine Learning and User Interface Design.
    - Collaborated with a team to ensure project completion on schedule.

Strengths

- Good Communication Skills.
- Problem Solving and Decision Making Skills.
- Good Knowledge in MS Office.
- Positive Attitude.
- Quick Learner.

Personal Details

Father's Name	: K. Laxmaiah
Address	: 32-133,Ramchandragudem,Miryalaguda Nalgonda District.
Nationality	: Indian
Date of Birth	: 30-11-2001
Phone No	: 8247390251
Languages Known	: English, Telugu.

<u>Declaration</u>

   I do here by declare the information provided above is true up to the best of my knowledge and I hold the responsibility for the correctness of the above particulars.

Place: Miryalaguda.
Date : 04-01-2024
